**EXAMINER'S COMMENTS & STATEMENT OF REASONS FOR ALLOWANCE**

***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114.

Applicant's submission filed on 27 April 2004 has been entered.

***Response to Arguments***

2. Applicant's arguments, see Amendment filed 27 April 2004, with respect to the Arnal reference, have been fully considered and are persuasive. The rejections under 35 USC §§102 & 103 of claims 1-14 have been withdrawn.

***Allowable Subject Matter***

3. The following is a statement of reasons for the indication of allowable subject matter: The closest prior art of record, US 6,050,278 to Arnal *et al.*, fails to teach each and every limitation of the instant invention. Specifically, the Arnal reference fails to teach or reasonably suggest the claimed dialyzer header cleaner further including a housing delimiting a single passage to accommodate fluid flow in opposite directions and the passage including a flow directing element extendable and retractable by fluid flow in both directions (*i.e.* inlet and

outlet ends), for the purpose of providing simplicity and less costly manufacture in a dialyzer header cleaning apparatus, which is disclosed as an essential element of claimed invention, as described in independent claims 1 (and claims 2-9 dependent thereon) & 10 (and claims 11-14.

4. For at least the foregoing reasons, claims 1-14 are believed to recite patentable subject matter.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
